

# Automatic Fire Alarm Association Minnesota Chapter

---

## An Invitation to Join the Minnesota Association Automatic Fire Alarm Association (MN AFAA)

The MNAFAA is a statewide association working hand in hand with the National AFAA with sole purpose of providing Life Safety for the State of Minnesota.

As a fire alarm professional, joining the MNAFAA allows you to:

- *Influence codes and standards at all levels to make buildings safer through proper application of fire alarm systems*
- *Assist in the education of all levels of the industry and Authorities having jurisdiction (AHJs) to properly apply, install, use and maintain automatic fire alarm systems*
- *Promote the level of our industry in meeting the public need for Fire and Life Safety Systems in Minnesota*
- *Provide a communication network to quickly and accurately identify industry problems, exchange ideas and information for solutions and organize corrective programs*
- *Promote technical competence of the industry through NICET certification and continuing education*

The MNAFAA is open to manufacturers, distributors, engineers, AHJs and other fire alarm professionals.

### **The MNAFAA needs your support and participation!**

To join the MNAFAA or receive additional information, please provide the information requested (*please print*) and return your signed application along with payment to:
